Important Information:

Program fee required in **FULL** with application. Parent pass is available for parents to skate when their children have lessons and to practice with them for an additional \$30, including skate rental.

Please arrive at least **half an hour** before the start of class on the first day of each session to meet your instructor and find out your lesson time. There is an unlimited make-up policy during any other class time/day within the session. Classes may be combined pending enrollment.

About Group Lessons

Welcome to Wintersport Ice Sports Arena's Group Lessons program!

The program was created to assist those of all ages in learning how to ice skate. Many of the students who participate in this program continue through the higher levels. Some students enroll in the Instructional Hockey programs and continue on to the Royals Youth Hockey program. In addition, other students join the Keystone United Figure Skating Club and the Skating Stars basic skills team.

The Group Lessons are taught by professional instructors certified by the Ice Skating Institute (ISI), Professional Skaters Association (PSA), the United States Figure Skating Association (USFSA), or by USA Hockey.

Skate rental is included in the Group Lessons Program fee. Otherwise, feel free to bring your own figure or hockey skates. Please do not forget to check your blades!

Classes are half an hour in length, preceded or followed by half an hour of practice time, depending on the class for which you are enrolled.

We at the Wintersport Ice Sports Arena **REQUIRE** that all children under the age of 8 use a helmet (bike, hockey, or ski.) We recommend that all beginner skaters wear helmets as well.

Please keep in mind that the ice rink is very cold. Be sure to wear the appropriate clothing (especially gloves) to keep warm!

Private lessons and semi-private lessons are available upon request. For more information, please contact Skating Director, Melissa Beck:
